Jar of Shells

How many shells are in the jar? Give us your best guess! One entry per patient. Just fill out an entry form with your name, phone number and best guess for the number of shells. The winner will be notified by September 3, 2019.

The patient whose guess is closest to the actual number of shells in the jar (without going over the actual number) wins! The winner will receive a \$25 gift card to the store of his or her choice. Good luck!
